WAYS TO REACH JULIE

There are two convenient ways to reach JULIE:

1. Click Before You Dig Using E-Request www.illinois1call.com

You can now enter your own locate request if you have a valid email address and a single-address excavation. You will receive a confirmation email from JULIE, Inc. along with general information pertaining to the excavation project. E-requests are processed by JULIE before the start of the next business day. The legal start date and time will be 48 hours from the time that JULIE processes your locate request. **NOTE: Your E-request is not valid until you receive an email confirmation from JULIE, Inc. with a start date and time.**

Before entering your E-request, [click here](#) for helpful hints to streamline the process.

2. Call Before You Dig

8-1-1 is the nationwide toll-free number for locate services.

Call JULIE's toll-free number

Our toll-free number – 1-800-892-0123 – is staffed 24 hours per day, 365 days per year.

Both the call and JULIE's services are free.
