## GARDEN METER RETURN

CUSTOMER NAME	CUSTOMER ADDRESS	CUSTOMER ACCOUNT #	DATE

QUANTITY	GARDEN METER SERIAL #	CREDIT	TOTAL
TOTAL APPLIED			

- Sewer credits for watering gardens, filling of pools etc., will no longer be given per changes by city council
- No credit will be given for garden meters that are not previously registered to the owners current account
- Once garden meters are turned in for credit, the garden meter can not be returned to customer. The garden meter will become property of the City of Hoopeston.
- No more than 2 credits per customer will be allowed, even if a third garden meter is registered to the same person but at a different account/address.
- Credit cannot be used towards an account that is past due or a final bill.
- The credit given for the returned meter will show on the next billing received by customer

As the owner of the address listed above, I understand and agree to the guidelines list above. I am aware that **NO** credit will be given for a garden meter that is returned to the City of Hoopeston and **not** registered to my current water account.
