

Police committee meeting 9/27/2022

Meeting called to order 5:05 pm

Present were Mayor Wise, Alderman Ankenbrand Porth and Ferrell and Brad Hardcastle.

Brad presented us with a PowerPoint presentation on the pros and cons of our current tasers to the proposed upgrades. Reminded us of the duties that auxiliary officers perform within the city. All though \$10,500 dollars were budgeted for tasers the total price for the number of tasers would be close to \$39,000. A proposal of using the 10,500 and then paying 6989.96 for the next 4 years. The police have purchased new taser 7s for themselves and the current plan is to let the auxiliary have their old tasers the x26ps. Since there was only one member of the police committee in attendance we did not vote on a recommendation. Alderman Ankenbrand will talk to the other 2 members and decide on a course of action

Alderman Porth suggested to utilize the x26p until we can accrue money to upgrade.

Meeting adjourned 5:50
